

Grow Your Circular Business: Exhibit at ReGen's SME & Eco Hubs

ReGen is excited to introduce two new dedicated spaces on the show floor: the **Circular SME Hub** and the **Eco Certified Hub***. These purpose-built areas, alongside our Innovation Zone for startups, offer a high-impact platform for emerging and growth-focused businesses driving Australia's transition to a circular economy. **Stand packages start from \$4,830.**

Why Exhibit at ReGen 2025?

ReGen connects you with procurement leads, sustainability professionals, and government decision-makers ready to invest in trusted circular solutions.

- **Connect with the right people.** Meet procurement leads, sustainability professionals, and government representatives ready to invest in certified, circular solutions.
- **Join Australia's circular leaders.** Accelerate your business alongside confirmed 2025 exhibitors like Great Wrap, Biobag World Australia, Cardia Bioplastics, Ecocycle, and more.
- **Build visibility and credibility.** Position your business as a trusted solution in the circular economy, with targeted exposure and access to ReGen's full app-based networking platform.
- **Cost-effective, high-impact stands.** Turnkey walk-on packages make it easy and affordable to stand out — designed for SMEs and mission-driven organisations.

*The Eco Certified Hub is exclusive to GECA and Global GreenTag members.

Ready to shape Australia's circular future? Book your stand today, spaces are limited.
